Invitation

Dear Colleagues,

We at IAP RAIGAD Branch are happy to host the prestigious 4th ANNUAL C.M.E. OF DAFPAL (DR ATHAWALE FOUNDATION & PAEDIATRIC ALUMNI LTMGH) ON 18TH OCTOBER 2015 AT HOTEL DEVANSHI INN ,KALAMBOLI,NAVI MUMBAI. THE THEME OF THE CME IS " CRITICAL CARE FOR PRACTICING PAEDIATRICIAN"

We all know that critical care paediatrics has evolved a lot as a distinct speciality in last few years. But even today we as general paediatricians are the first to face critically ill paediatric patient in our OPD and many a times a routine patient may deteriorate suddenly in front of us. In such situations it becomes mandatory that we should have an upto date knowledge of recognising these conditions, stabilising them with whatever resources we have and then if necessary transfer them safely to higher PICU setups.

Aim in arranging this CME is to make a general pediatrician aware of scientific principles of critical care paediatrics so that they can identify and manage these patients efficiently. The topics selected for discussion are very relevant to our daytoday work.

We are sure of a very good response from all of you for this state of art C.M.E .

KINDLY REGISTER AS EARLY AS POSSIBLE, SEATS ARE GOING TO BE LIMITED

WAITING EAGERLY TO MEET YOU AT THIS ACADEMIC FEAST.
